The huts are fully stocked with food, on-trail snacks, water and sleeping bags allowing bikers to carry a minimal amount of gear for an extended trip. There will be a pre-ride for this program (details TBA) that will include a packing demo and an overall Q & A. Prior to departure Academy instructors will assist and check all participants packing items and systems. Students "Arrival Bags" will be driven to Moab and will be waiting their arrival. Pack fresh clothes, shoes, a sleeping bag and pad and some fun treats these tired riders will enjoy!
